Perspective Plan for Academic Year 2018-19

In furtherance of our commitment to academic excellence and institutional development, the college administration outlines the following strategic initiatives for the upcoming academic year:

1. **Academic Program Enhancements:**
   - Introduce new market-oriented courses aligned with contemporary demands and in consultation with the Commissioner of Collegiate Education.
2. **Technological Integration:**
   - Invest in faculty training for the effective use of ICT tools and enhance internet bandwidth to facilitate seamless online classes.
3. **Alumni Support during COVID:**
   - Engage the support of alumni to assist students during the challenges posed by the ongoing COVID-19 pandemic.
4. **Infrastructure Development:**
   - Expedite the utilization of new blocks, ensuring their availability for academic use at the earliest convenience.
5. **Skill Enrichment through Certificate Courses:**
   - Offer online certificate courses to empower students with additional skills, contributing to their holistic development.

This perspective plan, endorsed by the College Planning and Development Council, reflects our unwavering commitment to academic innovation, technological integration, alumni engagement, and infrastructure development. It aligns with our vision of fostering a conducive learning environment for the holistic growth of our student community.
