Perspective Plan for Academic Year 2019-2020

In pursuit of elevating our institution to the pinnacle of academic excellence within the district, the following comprehensive strategic plan, sanctioned by the College Planning and Development Committee (CPDC), is articulated for the upcoming academic year:

1. **Beautification/Landscaping:**
    - Recognize the importance of enhancing the campus's aesthetic appeal through necessary landscaping, seeking funds from alumni or philanthropists.
2. **Renovation of the Building:**
    - Acknowledge the need to renovate the existing building, constructed in 1986, to align with current curriculum delivery requirements. Consider utilizing RUSA funding for ICT facilities.
3. **Strengthening the Mentor-Mentee System:**
    - Emphasize the significance of the Mentor-Mentee system to assist students in overcoming academic challenges and providing essential motivation. Enhance the system's effectiveness by addressing various aspects of holistic development.
4. **Construction of Cycle Shed for Boys:**
    - Recognize the absence of a cycle shed for boys and propose its construction, utilizing RUSA funds to support students' convenience.
5. **Promotion of Research Culture among Faculty:**
    - Promote a research culture among faculty by providing financial assistance for their participation in workshops/seminars/conferences. Encourage the submission of research articles and recommend adjustments to existing research policies.
6. **Establishment of Virtual/Digital Class Room:**
    - Acknowledge the necessity of a Virtual/Digital Class Room for quality education, especially for students from marginalized sections. Plan the establishment of such facilities.
