Perspective Plan for Academic Year 2020-2021

In pursuit of elevating our institution to the pinnacle of academic excellence within the district, the following comprehensive strategic plan, sanctioned by the College Planning and Development Committee (CPDC), is articulated for the upcoming academic year:

1. **Introduction of Additional Add-On/Certificate Courses:**
    - Propose the introduction of new courses in BA (HEFT/Eng) to meet current demand, subject to approval from the Commissioner of Collegiate Education.
2. **Offer PG Entrance Coaching:**
    - Recommend providing coaching for post-graduation entrance exams to interested students outside regular college hours.
3. **Encouraging Student Participation in Sports/Cultural Activities:**
    - Advocate for increased student engagement in cultural and sports activities, with financial assistance for those representing the college in national and international competitions.
4. **Online Grievance Submission Provision:**
    - Implement an online platform for students to submit grievances, ensuring accessibility and ease of service utilization.
5. **Installation of Statues of Inspirational Personalities:**
    - Propose the establishment of statues of influential personalities on the college premises for motivation, with efforts to secure funds from philanthropists or alumni.
6. **Procurement of Furniture:**
    - Address the increasing admissions by exploring possibilities for procuring additional furniture to meet stakeholder needs.
