Perspective Plan for the Academic Year 2021-22

In pursuit of elevating our institution to the pinnacle of academic excellence within the district, the following comprehensive strategic plan, sanctioned by the College Planning and Development Committee (CPDC), is articulated for the upcoming academic year:

1. **Introduction of Market-Oriented Courses:**
    - Propose the introduction of new market-oriented courses, subject to approval from the Commissioner of Collegiate Education, based on student demand and industry relevance.
2. **Enhancement of Online Student Engagement:**
    - Implement measures for online student engagement, including faculty training in ICT tools and bandwidth enhancement for internet connectivity to facilitate online classes.
3. **Alumni Support during Covid 19:**
    - Solicit support from alumni to assist students during the challenges posed by the Covid-19 pandemic, leveraging alumni networks for mentorship and additional student support.
4. **Early Utilization of New Block:**
    - Expedite the operationalization of the new block to address the college's growing needs, ensuring timely construction completion and effective utilization of new facilities.
5. **Introduction of Online Certificate Courses:**
    - Consider introducing online certificate courses focused on skill enrichment, offering students additional learning opportunities aligned with industry demands.
