Perspective Plan for the Academic Year 2022-23

In pursuit of elevating our institution to the pinnacle of academic excellence within the district, the following comprehensive strategic plan, sanctioned by the College Planning and Development Committee (CPDC), is articulated for the upcoming academic year:

1. **Introduction of skill courses:**
    - Integrate the skill courses to diversify our academic offerings, catering to the evolving needs of students and the industry.
2. **Secure NAAC Grade A+:**
    - Undertake initiatives to meet the stringent standards set by the National Assessment and Accreditation Council (NAAC) for achieving a commendable grade.
3. **Landscaping/Beautification/Increase Green Cover:**
    - Embark on a landscaping and beautification project to enhance the aesthetic appeal of the campus and contribute to environmental sustainability through increased green cover.
4. **Offer More Add-On/Certificate Courses:**
    - Expand the array of add-on and certificate courses to provide students with additional skill sets and niche expertise, aligning with industry demands.
5. **Establishment of E-Class Rooms:**
    - Introduce state-of-the-art E-Class Rooms to facilitate modern and interactive learning experiences, fostering technological advancements in education.
6. **Installation of CCTV Surveillance:**
    - Implement a robust CCTV surveillance system to ensure the safety and security of students, staff, and campus infrastructure.
7. **Construction of Compound Wall :**
    - Construct a secure compound wall on the east side of the college premises to enhance safety and delineate the college boundaries effectively.
8. **Procurement of Computers:**

- Acquire and upgrade computer systems to provide students and faculty with advanced technological resources, fostering a conducive learning environment.

9. **Mobilization of Funds for Development:**

    - Strategically mobilize funds from diverse sources to support comprehensive development initiatives, ensuring the holistic growth of the college.

10. **Leveling of the Ground:**

    - Undertake ground leveling activities to optimize space utilization and create a more functional and aesthetically pleasing landscape.

11. **CSPs/Internships:**

    - Facilitate Collaborative Student Projects (CSPs) and internships, providing students with real-world exposure and enhancing their practical skills.

12. **Autonomy Status for the College:**

    - Pursue autonomy status for the college to grant greater administrative flexibility and academic autonomy, fostering innovation and excellence.

This strategic plan delineates our commitment to academic advancement, infrastructural development, and the holistic growth of our institution, positioning it as a sought-after centre of learning within the district.
